

All teachers, other staff and pupils at Girlington Primary School are aware of allergies and the importance of avoiding the pupils' allergies, know the signs and symptoms. They know how to deal with allergic reactions and ensured policies and procedures are in place to minimise the risk.

Often parents and their children would like to celebrate their birthdays with their friends in school by sharing a box of chocolates. No school can guarantee a truly allergen free environment for a child living with food allergy, but request that if parents wish to bring chocolates in to school can we please ask that you bring in Heroes rather than Celebrations, as Celebrations do contain nuts, and any other treats for birthdays e.g buns/ cakes must have an ingredients label attached.
